## Report on Career opportunity in chemical and basic science program

Government organizations like Council of Scientific and Industrial Research (CSIR), Indian Space Research Organisation (ISRO) and Defence Research and Development Organization (DRDO), and Public Sector Undertakings (PSUs) like Oil and Natural Gas Corporation (ONGC), Bharat Heavy Electricals Ltd. (BHEL), Bharat Electronics Limited (BEL) and Power Grid, have a great demand for graduates in basic sciences and offer a competitive pay at par with industry standards. A career as a scientist in government institutes can be a great way to balance one's thirst for research with an excellent career.

Our college and department of chemistry organised program on topic Carrier opportunity in chemical and basic science. The speaker was Dr. Pravin R. Kawle and he aware the students about opportunity in chemical science with other competitive exam like banking sector. The program is conducted on Google meet online mode nearly 62 students were present.
