## Report: - Guest Lecture

### Department of Chemistry

Department of chemistry organized the guest lecture on topic "Electrophilic Substitutions reaction and their applications" for the students of B.Sc. on dated 07/10/2023. The resource person was Dr Amol Sapkal, P.N. College Pusad. The number of students were present for guest lecture was 56. Sir has enlightened the students on the different application of electrophilic substitution reaction. We have also taken the feedback of students. After analysis of feedback, we came to know that the students were satisfied with the topic and guest.
