

# “From Innovation to Recognition: A Proud Achievement at District Level Avishkar Competition”

Jawaharlal Darda Institute of Engineering and Technology, Yavatmal.

The students of the Department of Commerce and Management, Shri Vitthal Rukmini College, Sawana, actively participated in the District Level Avishkar Competition held at Jawaharlal Darda Institute of Engineering and Technology, Yavatmal. This prestigious competition provided an excellent platform for students to showcase their research aptitude, innovation, and creativity. It witnessed enthusiastic participation from various colleges across the district.

Two teams from the Department of Commerce and Management represented the college with great enthusiasm and dedication. The first team, consisting of Aditi Kakade and Smrudhi Shelake, presented their innovative project titled **“Swadeshi Vyapar App”**. Their project reflected creative thinking, practical application of commerce concepts, and relevance to contemporary business practices. Under the able guidance of Prof. Nilu Sharma (Jangid) and Prof. Kiran Pandey (Shukla), the team performed exceptionally well and secured the **Second Rank** at the district level, further qualified and participated in the University Level Avishkar Competition, representing the college at a higher platform. bringing pride and recognition to the institution.

The second team, comprising Anjali Paikrao and Megha Garade, presented their project titled **“GST 2.0”**. Their work demonstrated analytical thinking and a deep understanding of taxation and business systems. This team was guided by Dr. Komal A. Gupta and Dr. Pavan D. Sharma, who provided continuous support and mentorship.

The successful participation and achievement were made possible under the valuable guidance and support of the In-charge Principal, Dr. Hemant Mahalle, whose encouragement played a significant role in motivating the students. The contribution of the IQAC Coordinator, Prof. P. P. Jaiswal, was also instrumental in ensuring the quality and effectiveness of the activity. The consistent efforts of the faculty members of the Department of Commerce and Management further strengthened the students' performance.

The overall activity was effectively monitored by the College Coordinator, Dr. Kunal Dhokane, whose guidance and support played an important role in ensuring active participation and success of the students in the competition.

### **Outcomes**
