Venue : Shri Vitthal Rukmini Mahavidyalaya, Savana

A guest lecture on the topic "Today's Youth: Challenges and Career Opportunities" was successfully organized on April 8, 2024, under the Department of Commerce and Management's Commerce Association at Shri Vitthal Rukmini College, Sawana. The event was presided over by the officiating Principal, Dr. Surel Zod. Adv. Pawan Sharma, a prominent Tax Consultant from Pusad, was present as the Chief Guest and keynote speaker. The program commenced with the traditional lighting of the lamp, followed by the welcoming and felicitation of the guests with saplings and books.

The introductory speech and guest introduction were delivered by Prof. Dr. Komal Gupta, Coordinator of the Commerce Association. During his address, the Chief Guest, Adv. Pawan Sharma, guided the students on navigating the modern era by distancing themselves from the distractions of social media and focusing entirely on their academic studies. He highlighted ways to identify hidden talents and shared valuable insights regarding diverse career opportunities within the commerce sector. Principal Dr. Surel Zod delivered the presidential address, encouraging students to stay motivated.

The event was smoothly anchored by student Khushi Shukla, and the formal vote of thanks was proposed by Vikas Gawande, President of the Commerce Association. The program was successfully conducted under the guidance of Prof. Dr. Komal Gupta and saw active attendance from Prof. Manwar, Prof. Bhavana Tayade, Prof. Kiran Shukla, Prof. Neelu Sharma, Prof. Kale,

Prof. Dr. Ade, Prof. Dr. Humbe, other faculty members, and a large gathering of students. The event concluded with the singing of the National Anthem.

Objectives of the Lecture

Navigating Modern Challenges: To counsel and guide youth on avoiding the pitfalls and mental distractions caused by social media, directing their focus back to core academic excellence.

Career Pathway Guidance: To educate commerce students about specific career options, industry demands, and the professional landscape of taxation and management.

Self-Discovery and Soft Skills: To motivate students to identify their intrinsic strengths and soft skills, helping them build the confidence needed to meet global corporate challenges.

Bridging Professional and Academic Gap: To offer students direct exposure to industry experts like tax professionals, providing real-world context to classroom business theories.

Outcomes

Social Media Detox: Students learned how to reduce digital distractions and refocus on their academic goals.

Career Guidance: Commerce students gained clear insights into career pathways, industry demands, and opportunities in taxation.

Skill Identification: The lecture helped students recognize their hidden talents and build confidence for the professional world.

Practical Insights: Students bridged the gap between academic theory and real-world business practice by interacting with an industry expert.

Leadership Development: Student organizers gained hands-on experience in hosting and managing a formal academic event.
