Tour Report

Department of Zoology, Shri Vitthal Rukhmini Mahavidyalaya, Sawana

Date of Tour: 7th March 2025

Destination: Sant Gadge Baba Amravati University, Amravati

Overview:

On 7th March 2025, the Department of Zoology at Shri Vitthal Rukhmini Mahavidyalaya, Sawana, organized an educational tour to Sant Gadge Baba Amravati University. The objective was to provide 51 students, including 24 girls, with firsthand experience of the admission process, form filling, fee structure, and evaluation protocols at the university. The journey commenced promptly at 7:15 AM from our college.

Itinerary:

1. Departure:

The tour started from the Department of Zoology, with all students marking their attendance.

2. Poharadevi Banjara Virasat:

Our first stop was Poharadevi Banjara Virasat, where we delved into the history of the Banjara community. This informative stop was inaugurated by the Prime Minister of India, making it a significant part of our journey. Students took photographs, capturing the rich cultural essence of the site.

3. Sant Gadge Baba Amravati University

After leaving Poharadevi, we arrived at Sant Gadge Baba Amravati University. Here, we had the opportunity to explore various departments, with a highlight being the Spider Museum in the Zoology Department. Students expressed great interest in the unique specimens and educational exhibits available.

4. Tea Break:

Following our university visit, we enjoyed a refreshing tea break before heading to our next destination.

5. Bamboo Garden:

We next visited the Bamboo Garden, established by the Forest Department. The creativity on display through various bamboo crafts and toys delighted the students. This serene environment served as a lovely spot for our lunch.

6. Tapowan and Vidarbha Mahavidyalaya:

After lunch, we visited Tapowan, followed by exploring Vidarbha Mahavidyalaya, a sprawling 120-acre college established in 1920. The library, housing over 175,000 books, was particularly impressive. The highlight of this visit was the museum, where students gained insights into wild fauna, osteology, and specimens across all phyla.

7. Amba Devi Temple:

Our tour continued as we visited Amba Devi Temple, where we participated in the Aarti, enriching our spiritual experience. The visit further provided a glimpse into local customs and traditions.

8. Shopping in Amravati:

Post the temple visit, we strolled through the lively streets of Amravati for some shopping, allowing students to experience local culture and cuisine.

9. Dinner at Jangalee Dhaba:

The day concluded with a delicious dinner at Jangalee Dhaba. The food was exceptional, providing a fitting end to our adventurous day.

10. Return Journey:

We departed for Sawana after dinner and safely arrived back at 7 AM on 8th March.

Conclusion:

The tour was a remarkable blend of education, culture, and fun, offering students insights into university processes as well as exposure to the local heritage and environment. The enthusiasm displayed by the participants made the experience enriching and memorable. We look forward to organizing similar tours in the future to enhance the learning experience of our students.

Acknowledgments:

We express our gratitude to the faculty members for their support in organizing this informative tour, ensuring its smooth execution. Special thanks to the students for their keen participation, which made this tour a success.
