

Career Guidance, Placement & Competitive Examination Cell

Aim

To enhance the employability, career readiness, and competitive examination preparedness of students by providing career guidance, placement assistance, skill development, and training opportunities in accordance with the **University Grants Commission (UGC) Act, 1956**, **National Education Policy (NEP)-2020**, UGC Guidelines on Student Employability and Career Development, Government initiatives, and the regulations of the affiliating university.

Objectives of the Career Guidance, Placement & Competitive Examination Cell (as per UGC Guidelines)

1. To provide career guidance and counseling for higher education, employment, and entrepreneurship.
2. To organize placement drives, campus recruitment, internships, and industry interaction programs.
3. To guide students in preparing for competitive examinations through coaching, workshops, and expert sessions.
4. To enhance students' employability by developing communication, aptitude, technical, and soft skills.
5. To strengthen collaboration with industries, employers, alumni, and training organizations for career opportunities.
6. To motivate students for continuous learning and career development in line with national and global employment trends.
